the order as per
draft seems very
necessary.

If in any ~~case~~ place
of great public importance
it happens that repairs
are urgently necessary
and is wanting, I would, with
the Dewans permission,
get the repairs executed by
a contribution from the
Govt grant without interfering
with the feeding in the Chattram.
If however the Hdqrs do not
bring such cases to notice
and stop feeding of their
own authority, the public will suffer.
